Modern Amenities & Small Town Charm

“Easy Living”

This home offers an open floor plan with privacy where you want it. From the moment you park the car in your 700 sqft. garage you will discover this home was designed for easy living. Beautiful kitchen with family sized granite island & large walk-in pantry. Formal dining room, main floor office, great room and large mudroom are perfect for the active household. Upstairs you will find 4 bedrooms, guest bath, & generous laundry room. In addition the master en-suite bath features dual sinks, tiled shower & walk-in closet. The lower level offers an additional 1,200 sqft. of unfinished space for storage or future expansion. Located in the desirable Towne Lakes neighborhood with miles of trails & sidewalks leading to ten parks, ponds, open spaces & lakeside piers. The neighborhood activity center offers a clubhouse and outdoor pool. The perfect place to slow down and enjoy life.
